The Walsh Memorial Bell Choir, from the Morris Plains Presbyterian Church in New Jersey, is comprised of auditioned 7th-12th grade students from various communities in the state. WMBC ringers tour annually and participate regularly in festivals, conferences, concerts, community outreach performances, and other events. Recent tours have included Switzerland, Myrtle Beach, and Disney World. In addition to touring nationally, the ensemble has also performed in Canada, Mexico, France, Germany, and the United Kingdom.

Their summer tour is a way for them to spread the fellowship of their church, and to bring their music to the world outside of Morris Plains.

**Please join us for this evening of beautiful music.**
